June 23, 2008

Greetings from the Sherborn Yacht Club!

As we move into the 2008 Season in full force, we want to welcome you to the Sherborn Yacht Club's summer activities. The SYC is entering its 47th year of existence, and we are hoping you will take this opportunity to join (or rejoin) our organization, if you haven't already done so!

We offer a plethora of organized and informal sailing opportunities, sailing education for youths and adults of all abilities, as well as a number of fun social activities throughout the year. Our annual July 4th family clambake is not to be missed!

As many of you know, the club obtained a brand new fleet of six Hunter 146 sailboats last season, which replaced our fleet of JY14s. The new 146's were well received by members and students alike, and are well-utilized boats for casual family sailing and sailing instruction.

Membership in the SYC allows use of the new Hunter 146s, as well as our six Vanguard 420s, a number of Sunfish, canoes, kayaks and more. During the summer, our Dockmasters will be happy to introduce (or reintroduce) you to the use of the various boats. They'll help you rig the sailboats and otherwise ensure you are out on the waters of Farm Pond in record time!

If you like a little competitive fun, our racing activities are a lot of fun for beginner and experienced sailors alike. You do **NOT** have to be an expert sailor to participate and have fun in the club's racing activities! All are welcome to join in as a captain or crew during our Thursday evening and Sunday afternoon races (plus a special series of races for Juniors held every Wednesday afternoon). See our website for more details, or email us at Racing@SherbornYachtClub.com.

Our website (www.sherbornyachtclub.com) is filled with photos, membership and sailing class application forms, event calendars and other useful information. Please take a look! If you can't find what you're looking for, give us a call or e-mail us.

On behalf of the SYC Board of Directors, I hope you will join us for a fun summer of racing, sailing with the family, social events, or just taking a paddle around Farm Pond.

Regards,

Kimball Holland
Commodore, SYC
