March 2009

On behalf of the Board of Directors - greetings from the Sherborn Yacht Club!

2009 marks our 48<sup>th</sup> year of sailing on Farm Pond - and we invite you to join in the fun. The SYC is a family-focused organization that offers a variety of water-based activities. Whether you are seeking an afternoon of sailing or a leisurely paddle around Farm Pond in a kayak or canoe, we have many options for you.

Naturally, our members have access to several types of boats. For sailors, we have a fleet of Hunter 146s, six Vanguard 420s, and several Sunfish. For members who may not care about sailing but still enjoy recreational water activities, we also offer kayaks, rowboats, a canoe, a windsurfer and a paddle boat. Whatever your choice, our dockmasters stand ready to assist you in rigging, launching and docking the various boats.

If you enjoy a little competitive fun, we race on Sundays throughout the summer. SYC racing activities are geared for novice and experienced sailors, alike. In fact, one of our most popular racing events is our beginner-friendly Golden Retriever series.

If you don't sail but would like to learn, the SYC offers instructional programs each summer for youths and adults of all abilities, from beginner to advanced. Our Youth Program, in particular, is a very popular summer option for up-and-coming Sherborn sailors - and many a young sailor has sparked a life-long love of sailing right here, at our docks.

Finally, we host a number of fun gatherings throughout the summer and early fall. Our annual 4<sup>th</sup> of July Clambake on Farm Pond is our largest social event of the season and is not to be missed! All of our social events are kid-friendly.

If you have any questions about the SYC, give us a call at 508.653.7069, or e-mail us at [Info@SherbornYachtClub.com](mailto:Info@SherbornYachtClub.com). Enjoy the summer – and we hope to see you sailing, racing, socializing, or enjoying a relaxing paddle with us on Farm Pond!

Kind Regards,

Heidi Gilmore  
Commodore, SYC
