June 2010

On behalf of the SYC Board of Directors - greetings from the Sherborn Yacht Club!

2010 marks our 48th year of sailing on Farm Pond - and we invite you to join in the fun. The SYC is a family-focused organization that offers a variety of water-based activities. Whether you are seeking an afternoon of sailing or a leisurely paddle around Farm Pond in a kayak, we have many boating options for you.

Naturally, our members have access to several types of boats. For sailors, we have a fleet of Hunter 146s, six Vanguard 420s, and several Sunfish. For members who may not care about sailing but still enjoy recreational water activities, we also offer kayaks, rowboats, a canoe, a windsurfer, and a paddle boat. Whatever your choice, our dockmasters stand ready to assist you in rigging, launching, and docking the various boats.

If you enjoy a little competitive fun, we race on Sundays throughout the summer. SYC racing activities are geared for novice and experienced sailors, alike. Periodic racing clinics will be held prior to Sunday races by Charlie Siegal, SYC racing chair (and a champion sailor, himself), to help racers of all abilities hone their skills.

If you don't sail but would like to learn, the SYC offers instructional programs each summer for youths and adults of all abilities, from beginner to advanced. Our Youth Program, in particular, is a very popular summer option for up-and-coming Sherborn sailors - and many a young sailor has sparked a life-long love of sailing right here, at our docks.

This year, the SYC's Sailing with the Stars event will bring nationally-ranked sailors to Farm Pond to sail with SYC youth sailors. It will be a very special opportunity for SYC sailors to learn some tips and tricks from the pros, and have a little competitive racing fun in the process.

Finally, we host a number of fun social gatherings throughout the summer and early fall. Our annual 4th of July Clambake on Farm Pond is our largest event of the season and is not to be missed! All of our social events are kid-friendly.

If you have any questions about the SYC, give us a call at 508.653.7069, or e-mail us at Info@SherbornYachtClub.com. Enjoy the summer – and we hope to see you sailing, racing, socializing, or enjoying a relaxing paddle with us on Farm Pond!

Kind Regards,

Heidi Gilmore
