Spring/Summer 2011

Dear SYC Member,

Welcome to the Sherborn Yacht Club! We are glad to have you aboard. The SYC docks officially open on Saturday, May 28, and will remain open through Labor Day.

Besides three types of sailboats (Hunter 146s, 420s, Sunfish), members have access to kayaks, rowboats, a canoe, a windsurfer and a paddleboat. Whatever your preference, our friendly dockmasters are ready to assist you in rigging, launching and docking the boats.

If you don't sail but would like to learn, the SYC offers instructional programs for youths and adults of all abilities. Our Youth Program, in particular, is very popular with young sailors - and many of them spark a life-long love of sailing right here, at our docks.

I have enclosed The Club's Courtesies and Rules and thank you in advance for your support of our policies. These policies are an important part of our commitment safety and advocacy for the Farm Pond ecosystem. Please do not hesitate to ask our Dock Masters if you have any questions regarding the rules of the Club.

I would also like to remind you that the Sherborn Yacht Club is run by volunteers and we are always looking for help to make our events run more smoothly. I have listed below the contacts for threwo the areas we are most in need of assistance this summer. If you have expertise in (or would like to learn about) these areas, we encourage you to get involved.

Committee	Committee Head	Phone	Email Address
Racing	Charlie Siegal	(508) 545-1446	csiegal@gmail.com
Social	Tom Trainor	(508) 655-5007	Tom_Trainor@agilent.com

Finally, please also remember that the Club is located on private property. The generosity of our sponsor family allows us to remain where we are. We should reciprocate in kind – by showing the same respect for property and privacy you would expect in your own back yard. It is important that we are not only good stewards of the Pond, but that we are also good neighbors.

If you have any questions about the SYC, give us a call at 508.653.7069, or e-mail us at Info@SherbornYachtClub.com. We look forward to seeing you around the docks, and/or at our various social and racing activities!

Kind Regards,

James S. Smith
Commodore, SYC
